## DESCRIPTION

The Right Light Series 3-Up Orange is an energy-efficient alternative to the standard Orange channel letter LEDs. Custom LED chips and advanced design make the RLS 3-Up Orange one of the most desirable channel letter products on the market. Ideal for medium-large applications, the 3-Up Orange houses three LED chips on a 4" board fitted with patented Quick Connect tabs to simplify installation and minimize labor.

## FEATURES AND SPECIFICATIONS

- Patented Quick Connect tabs - easiest and fastest system to install on the market! No need for cutting or splicing wires
- Suitable for damp locations
- UL Recognized (US and Canada) and CSA approved
- Class 2 compliant
- 5-year warranty

# 3-Up Orange
